\*The Bach Flower Essences will not change the inherent temperament of a particular breed or animal, but will help to bring them into balance. We also recommend consulting a Bach Foundation Registered Practitioner or animal behaviorist.

www.DirectlyFromNature.com

**Dosage Information:** The simplest method of use is to *add 2 drops* of each *Bach Flower Essence* to your pet's drinking water or food. You can also apply directly into the animal's mouth. nose, ears, lips, or pads of the paw. Since many animal behaviors are long-standing, you may also mix a treatment bottle. Fill a 30 ml bottle with spring water and add 2 drops of each remedy (4 drops if Rescue Remedy). You can combine up to 7 remedies. Give 4 times a day, 4 drops each time.

## **Aggressive Behaviors**
